

San Francisco Podiatrist announces the launch of www.sanfrancisco-podiatrist.com, an online information and service portal for prospective podiatry patients in the greater San Francisco Bay Area. Visitors to the podiatry site are presented with an intuitive homepage upon entry and are encouraged to explore the various pages associated with a range of podiatric conditions. The main aim of the site is to empower local residents to educate themselves about San Francisco Podiatry as a first step in the healing process.

Features

Because [sanfrancisco-podiatrist.com](http://www.sanfrancisco-podiatrist.com) was designed with local San Francisco and greater Bay Area residents in mind, residents can expect to quickly obtain the information necessary to quickly address their foot and ankle health needs. The site features 5 main sections which can be accessed through the navigation menu at the top right of the page. They are as follows:

- About: the About page features biographical information about the podiatrist in San Francisco
- Services: the Services page features an overview of the services offered by the podiatrist San Francisco
- Topics: the Topic button brings up a drop down menu of common San Francisco podiatry conditions
- Contact: the Contact page features contact information for the San Francisco Podiatrist
- Home: the Home page features a brief overview of [http://www.sanfrancisco-podiatrist .com](http://www.sanfrancisco-podiatrist.com), the Podiatry navigation menu, a San Francisco Podiatrist video

Benefits

With the growth of the Internet, has come an explosion of information sources about all topics. [Sanfrancisco-podiatrist.com](http://www.sanfrancisco-podiatrist.com) is a pioneer in offering local greater Bay Area residents a synthesis of topical podiatry information and access to local San Francisco podiatrist service offerings.
